USA Manufacturer of
specialty tapes, surface
protection films, and
print wall media.

Presto Tape is a completely integrated manufacturer of specialty tapes, surface protection films, and digital print media. Presto Tape has been a family-owned company since it was established in 1991. Every facet of the production process is executed on-site for maximum quality control. From formulating our own adhesives to coating, slitting, finishing, packaging, warehousing, and shipping—it is all done under one roof. This allows us to offer the highest quality products at such competitive prices.

OUR SALES TEAM IS HERE FOR YOU.

When you work with Presto Tape you will have a Sales Representative to help select the right product for your business. A dedicated Inside Sales Representative will also be an extension of your team to help with quick assistance on existing orders.

MADE IN THE USA

Our products are manufactured, custom cut, and packaged on-site at our headquarters in Bensalem, PA. It's important to us to not only manufacture quality products but help support our local community and create jobs.

QUICK LEAD TIMES

We operate around the clock to offer quick lead times. We know delivery time is important to operating your business efficiently.

COMPETITIVE PRICING

We don't sacrifice quality for price, we know both are important factors when selecting products. We offer the best price-performance in the industry.

KNOWLEDGEABLE EMPLOYEES

We have been in business for over 30 years. Our team is comprised of individuals with unparalleled expertise and industry knowledge across all departments. It's a pleasure to do business with anyone at Presto.

CONSTANT INNOVATION

Innovative ideas and technical leadership are at the forefront of our approach to meeting our customer's needs. Presto constantly develops new products using our cutting-edge technology.

CONSISTENT QUALITY MANUFACTURING

Each product uses specially formulated adhesives and premium substrates in a patented production process. We follow strict quality controls in our state-of-the-art lab equipped with ASTM and PSTC testing capabilities.

APPLICATION

TAPES

Presto offers a wide assortment of Application Tapes. Our range includes paper, embossed film, and layflat to meet all of our customers' needs. The Application Tapes are available in a variety of tack levels and ideal for sign making, transferring vinyl lettering and graphics, and as a premask for large graphics. We also offer a protective pallet tape perfect for protecting and extending the lifespan of platens.

EMBOSSSED FILM APPLICATION TAPE
