ABOUT PRESTOTEX

PrestoTex Print Media is a digitally printable polyester wallcovering fabric, perfect for large-scale wall installations or contour cut decals. Any image, pattern, branding, or graphic can be printed or painted and installed with ease. PrestoTex is removable, repositionable, leaves no adhesive behind once removed, and is easy to install without the mess of paste and water. In addition, PrestoTex is available with or without our exclusive peel-and-stick adhesive backing. It allows you to transform a room for a season, the term of a marketing campaign, or permanently without peeling, wrinkling, or curling.

MULTIPLE USE MEDIA

PRINT

Any image, design, branding, logo, or photo can be printed on the media using a wide-format printer. It's compatible with solvent, eco-solvent, latex, UV inks.

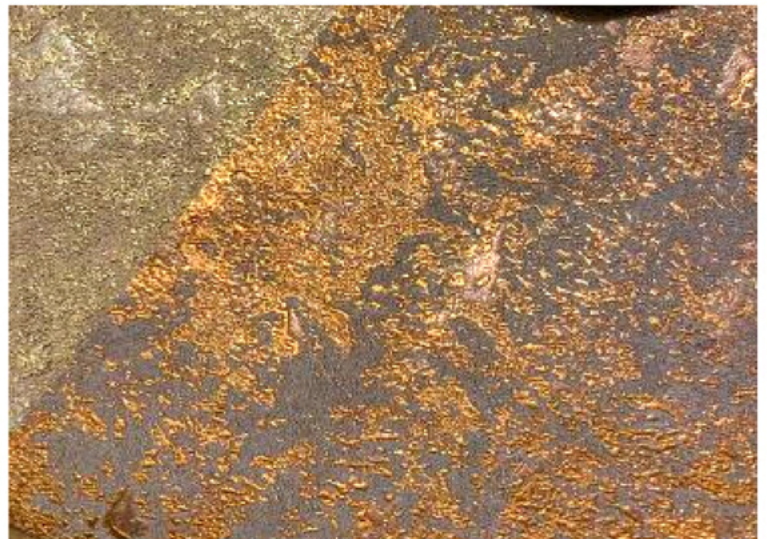

PAINT & DRAW

Artists love using PrestoTex as their canvas. The transportable media can be cut to size, started in one location, and installed in another. PrestoTex is compatible with acrylic paint, alcohol paint, and markers.

TEXTURIZE

The removable media requires no resurfacing. Easily install PrestoTex, then plaster or apply liquid copper directly on the smooth surface. Simply peel off the adhesive-backed media when you want to return the surface to its original state.

& MORE

PrestoTex can be used to experiment with as a blank canvas with various mediums. It's perfect for art classes and as a replacement for traditional stretched canvas.
